

## Support for refugees with Cochlear-Implants!

Did you just escaped from war zone in ukraine and have problems with you cochlear-implant or missing accessoires?

You lost your speech-processor along the way or broke it?

You are out of batteries?

Your coil-cable is broken?

**No matter what: Contact us and we will find a solution!**

**We will contact the CI-companies, they will help you in an uncomplicated way!**
